Welcome to Dublin, "The Emerald City," in Laurens County, where small town Southern charm and a determination to keep Dublin-Laurens County "Green and Growing" have combined to create a community rich in character and full of life.

Dublin-Laurens County offers something for everyone. The wonderfully mild climate of Middle Georgia creates a haven for the sportsman who enjoys tennis, golf, fishing, or hunting. If you enjoy shopping, you'll find plenty of opportunities to do so at over 400 stores, including Dublin Mall. Our historic downtown is a busy retail center filled with shops, restaurants, the recently renovated Theatre Dublin and the Dublin-Laurens County Historical Museum.

In March, the entire community is a "wee bit Irish" for the Dublin-Laurens St. Patrick's Festival which has been in existence for 40 years! The month-long celebration offers fun for the whole family with a parade, a road race, an arts & crafts fair, a leprechaun contest & much more!
